

MOMS TRANSMIT THE FAITH™

A Course In Catholic Teaching for Mothers of Young Children

As the first and most important educators of their children,
parents give personal testimony to the **value and meaning of life.**

For Christian parents, this testimony must always be based on a
deep knowledge and love of Jesus Christ.

A Mom cannot transmit
this understanding **if she doesn't have it herself.**

**Increase YOUR understanding of the Catholic Faith in order to
pass it on more effectively to your children!**

The MOMS TRANSMIT THE FAITH Course entails:

12 ninety-minute sessions with other moms

Each session includes:

- An easy to understand talk that explains the “whys” behind the Catholic faith, making it easier to teach these truths to our children
- Practical Applications that suggest ways of living out these truths
- Tips on living Catholic devotion in your family
