

How To Transmit Faith to Your Kids

Raising kids is challenging,
especially when you want to raise your children with
moral values,
a **deep belief in Jesus Christ,** and
a **love for the Catholic Church.**

Meet with other Moms
who have the same desire as you...
to ***give your kids the best foundation possible.***
You'll go deeper in your own understanding of the Catholic Faith and
discuss how to most effectively share that faith with your children.

The **MOMS TRANSMIT THE FAITH** Course includes:

- 12 meetings with other Moms
- An easy to understand talk that explains the “whys” behind the Catholic faith and how to explain it to our children
- Practical Applications and Tips for living and teaching Catholic devotion in your family

What Other MTF Moms Have To Say:

“This program was like the ‘what’ and ‘why’ that I either forgot from my Catholic education or never got. I especially appreciated learning it in the context of raising our little kids in the faith.” ~AP

“The lessons I learned here will make an impact on the rest of my life personally and how I talk to and raise my children. I also loved all the book references and other materials to read more about different topics.” ~AP

“Since I wasn’t raised Catholic, this program helped me understand and love concepts of the Faith so that I can live them better and my children will, also.” ~KH
